New bank to open in Macungie area

Associated Press

MACUNGIE, Pa. - A new bank is scheduled to open in the Macungie area this spring.

Great Bear Bank could open as early as May, according to co-founders Peter Krajsa and John Hayes. The two currently lead AFC First Financial Corp., a building improvement loan and mortgage company.

The new bank would likely open two Macungie-area branches in its first two years of operation, according to Krajsa and Hayes.

AFC First will become part of the new bank.
